Message from the W.M.

Brethren,

As January passes, and we move to February, I would take a moment to thank the Brothers that have responded to our questionnaire. I would also like to encourage those that have not yet given their feedback, to please respond and let us know what your opinions and interests are.

Brother Michael Davis has volunteered on a Masonic Education program in March. I am really looking forward to this program. (More to follow)

I welcome any of the other Brothers interested in presenting Masonic Education to contact me so we can coordinate the programs with our degree work.

I would like to congratulate Bro. Asher Thoeming, who demonstrated his proficiency as an Entered Apprentice, and was elected to be made a fellow Craft. We have a few more EA's that need to stand proficiency, and I want to thank the Brothers that are assisting and encouraging those EA's and helping them to advance.

As the winter months come to a close, spring coming closer and closer, I would like to leave you with this quote and thought:

"As we continue to improve ourselves in Masonry, we are indeed improving life. We know from history that without ideals to guide us, the garden of man's life will not grow into a place of beauty".

F. Maxwell

Fraternally,
W.M. Greg Koenig
