Master's Message

Brethren,

Time is moving so fast hard to believe that it is already March. I want to ask a simple question what is Masonry? We can all come up with an answer for that Masonry making good men better, right? I believe that Masonry is so much more because our fraternity touches more lives than just our members.

It reaches out to the community and to people that do not even know what a mason is other than by watching conspiracy shows or even worse not at all.

I am proud to be a part of an organization that helps people in various aspects of their lives from Scholarships to donations to help the needy.

“What we have done for ourselves alone, dies with us; what we have done for others and the world, remains and is immortal.”

Brother Albert Pike

May we continue on this path of helping others not just as a lodge but in our personal lives as well as our means permit.

Fraternally
Ed Sisk WM

Freemasonry is a science of symbols, in which, by their proper study, a search is instituted after truth, that truth consisting in the knowledge of the divine and human nature of God and the human Soul.

Dr. A. G. MacKey

Freemasonry is an institution founded on eternal reason and truth; whose deep basis is the civilization of mankind, and whose everlasting glory it is to have the immovable support of those two mighty pillars, science and morality.

Dr. John Dove

The strength of Freemasonry is in its loyalty to each other.

Vasilios Karpos

Education lays hold of what is best in a person, but character lays hold of what is worse. It takes hold of a failing and by very skillful manipulation and training turns it into a perfection.
