## Master's Message

Brethren,

We never know what lesson life will throw our way but we must be prepared mentally to learn. Never should we stop trying to gain as much knowledge as possible along with wisdom.

“The secret of Masonry, like the secret of life, can be known only by those who seek it, serve it’ live it. It cannot be uttered; it can only be felt and acted. It is, in fact an open secret and each man knows it according to his quest and capacity. Like all things worth knowing, no one can know it for another and no man can know it alone. “  
*William Howard Taft*

“Philosophy is a kind of journey, ever learning yet never arriving at the ideal perfection of truth.”  
*Albert Pike*

I would like to encourage the Brethren that are able to learn the Masonic Funeral service the brothers that perform it will not always be around and who will be the ones to perform their service.

I look forward to this month's meetings before we go dark.

Fraternally  
Ed Sisk WM

## Masonic Quotes

“I have ever felt it my duty to support and encourage the principles and practice of Freemasonry, because it powerfully develops all social and benevolent affections, because it mitigates without, and annihilates within, the violence of political and theological controversy; because it affords the only neutral ground on which all ranks and classes can meet in perfect equality, and associate without degradation or mortification, whether for purposes of moral instruction or social intercourse.” *Earl of Durham*

“I violate no secret when I say that one of the greatest values in Masonry is that it affords an opportunity for men of all walks of life to meet on common ground where all men are equal and have one common interest.” *Theodore Roosevelt*
